HOW TO READ THE PROGRAM

The horse's head number, saddle cloth number, program number, mutuel number and post position are the same except when there is an "entry" or "field". When the mutuel number and the post position differ, the post position is listed above the mutuel number. The morning line, and, in claiming races, each horse's individual claiming price will be indicated below the mutuel number. Above the horse's name is the driver's name and his racing colors. The trainer's name follows.

The information at the right of the horse's name indicates its color, sex, age, breeding and present owner. On the far right are the racing statistics. Lines one and two indicate the current and previous year's starts, firsts, seconds, thirds, earnings, fastest mile win times and the tracks where achieved. Line three (the Lifetime line) indicates the date last raced in a pari-mutuel race, lifetime earnings through that date, age at the time of fastest lifetime win, time of that lifetime record and size of the track.

Below are the past performances of RACEWAY. He last raced on July 4 in the 7th race at Hazel Park, a ½ mile track, with the track condition "fast". He raced with the approved medications, Butazolidin and Lasix. He was in a conditioned race for non-winners of 4 Races. The distance was 1 mile. The leader's time at the ¼ mile was :30⁴, at the ½ mile, 1:01², at the ¾ mile, 1:32² and the winner's time was 2:03. RACEWAY'S performance in that race follows. He started from the 1st post position and was 6th at the ¼ mile. At the ½ mile point he was still 6th — 5 lengths behind the leader and was "parked out" (racing alongside another horse). At the ¾ mile point he was 7th — 12 lengths behind the leader and was on a break (off-stride) due to interference from another horse. At the head of the stretch he was still 7th — 8 lengths behind the leader. At the finish he was 5th, beaten 6¾ lengths by the winner. "p4" after RACEWAY'S finish indicates that he was placed 4th through the disqualification of another horse. He raced his final ¼ mile in :29².

RACEWAY'S time for the race was 2:04¹. His odds were 4 to 1 - his driver - John Gillespie. The official First, Second and Third positions were Sulky Sam, Big John and Slo Mo. The number 7 listed following Slo Mo indicates that 7 horses started in the race.

BEFORE EACH RACE — You will see horses warming up for succeeding races. The colors painted on the fence in front of the "tote" board correspond to the colors of the saddle cloths for the ten races each night. Horses warming up between races for races later in the evening may be identified in the following manner. Saddle cloth color denotes the race in which the horse is entered — head number and saddle cloth number denote the mutuel number of the horse.

THE TRACK CONDITION is determined by taking the average actual time of the horses in a race, on a fast track without a break, and comparing it to the winning time. Using this formula, the track condition is determined on a comparable basis as follows: fast (the normal race-track), good or sloppy (approximately 3 seconds off — good in the faster range and sloppy in the slower range), slow (approximately 5 seconds off), muddy (approximately 7 seconds off), and heavy being the extreme (approximately 9 seconds off).

QUALIFYING RACES are not competitive and will not be included in the starts of a horse but are merely used to determine the manners of a horse and its ability to complete the course within the time standards set by the judges for the class in which the horse will compete.

***THE UNIVERSAL DRIVER RATING SYSTEM:** (UDRS) a method devised for comparing the past performances of harness drivers and trainers. It is comparable to a baseball player's batting average. The UDRS average is derived from the following point system. The total number of firsts is multiplied by 9, the seconds by 5 and the thirds by 3. These are added together and then divided by the number of starts multiplied by 9.

TRACKMAN'S SELECTIONS—9-3-8

Post Position No. 10 Will Score From the Second Tier

2040880019

TRI-SUPER WAGERING
is at
HAZEL PARK HARNESS
(on races 3 and 5)
$20,000 MINIMUM TRI-SUPER POOL

HOW TO MAKE THE PLAY

1. In the 3rd race (first half), pick the three horses you think will finish first, second, and third, in exact order of finish.
2. Place your wager at *any* window (except "EXPRESS" windows).
3. TWO dollars is the minimum bet. Wagering multiples of $2 only in TRI-SUPER wagering.
4. State the following, "$2 TRI-SUPER" . . . then your selection(s) as you would for a regular trifecta race.

HOW YOU CASH ON THE FIRST HALF

1. If you win the first half trifecta (3rd race), you MUST cash your winning ticket *before* the second half (5th race) to be eligible for the TRI-SUPER pool. EXCHANGE MUST BE MADE WHEN YOU CASH FIRST HALF WINNING TICKET . . . PLEASE HAVE YOUR SELECTIONS READY.
2. When you cash your winning ticket for the first half (3rd race), *at that time* you must pick the four horses you think will finish first, second, third and fourth in exact order, in the second half (5th race.)
3. You may select *one* combination in the second half for each $2 winning ticket you cash from the first half, *at no additional cost*.

HOW YOU WIN THE TRI-SUPER

1. If you win the 5th race superfecta (second half), as well as the 3rd race trifecta (first half), you win the TRI-SUPER.

NOTE: 50% of the net TRI-SUPER pool is distributed to players who win the first half (3rd race), and 50% to those who win the TRI-SUPER. If no one wins the TRI-SUPER, the remaining pool carries over to the next racing night.

REMEMBER: You can make any bet on any race at any time. *Bet early* and avoid the rush.

M.R.C. RULE 4215 . . . STARTING

(2) There shall not be a recall after the word "go" has been given, and any horse, regardless of its position or occurrence of an accident, shall be deemed a starter from the time it entered into the starter's control unless dismissed by the starter.

(3) The starter shall endeavor to get all horses away in position and on gait, but there shall be no recall for a breaking horse. MICHIGAN RACING COMMISSIONER—PARI-MUTUEL RULES

All Pari-Mutuels are run under the rules made and published by the MICHIGAN RACING COMMISSIONER, and according to these rules, all persons buying tickets thereon agree to be bound by said rules and decisions of the Stewards. "All payoffs by the pari-mutuel departments of associations licensed by the racing commissioner are subject to the regulations of the United States Government, the Internal Revenue Service, and applicable statutes of the State of Michigan."

R 431.2001

(a) "Betting interest" means a single horse, or more than 1 horse joined as a mutuel entry or joined in the mutuel field, on which a single pari-mutuel wager may be placed.

(b) "Entry" means either of the following:

(i) A horse entered in a race.

(ii) Two or more horses which are entered in a race and which are coupled as a mutuel entry or joined in the mutuel field pursuant to rules of the racing commissioner.

(c) "Mutuel entry" means 2 or more horses entered in a race which are coupled as a single betting interest because the horses are owned wholly or in part by the same owners or are trained by the same trainer.

(d) "Mutuel field" means a single betting interest which involves more than 1 horse and which is formed when the number of horses starting in a race exceeds the number capacity of the totalisator, by grouping the highest numbered horse within the numbering capacity of the totalisator and all horses of a higher number.

R 431.2005

(a) "Place," when used in the context of a single position in the order of finish in a race, means second. When used in the context of pari-mutuel wagering, a "place" wager is one involving a payoff on a betting interest which finished first or second in a race. When used in the context of multiple positions in the order of finish in a race, "place" or "placing" means finishing first, second, or third.

(b) "Post time" means the time set for the arrival of the horses in a race at the starting post.

(c) "Scratch" means the withdrawal of a horse entered for a race after the time of closing.

(d) "Started" means a horse in front of whom the stall doors of the starting gate open at the time the starter dispatches the field or, when no starting gate is used or a mobile starting gate is used, the starter gives the word "go."

(e) "Winner" means a horse whose nose reaches the wire first carrying its jockey or driver, a horse whose nose reaches the wire at the same instant as the nose of a horse sharing first place carrying its jockey or driver, or a horse awarded first place by the commissioner or stewards because of the disqualification of an actual first-place finisher.

R 431.2010 Pari-mutuel ticket sales payoffs.

(1) Pari-mutuel tickets shall be sold only at either regular ticket windows which are properly designated by signs or through authorized systems or messengers. Pari-mutuel tickets shall not be exchanged, except as otherwise provided for in R 431.2105, R 431.2110, and R 431.2115.

(2) Wagers shall be paid when a race is declared official by the stewards. A race shall be deemed official when an official sign is purposely displayed or an official announcement is made. Any subsequent ruling of the commissioner or stewards with regard to the award or purse money shall have no bearing on the mutuel payoff.

(3) Payment on winning pari-mutuel tickets shall be made only upon presentation and surrender of such tickets.

(4) All winning pari-mutuel tickets may be presented for payment to the association concerned within 60 days after the last day of the race meeting pursuant to section 2 of Act No. 90 of the Public acts of 1951, as amended, being, R 431.252 of the Michigan Compiled Laws.

(5) Tickets altered or mutilated in any way are void and worthless. Torn tickets, if properly identifiable, will be honored by the association. The responsibility for identifying tickets rests with the association.

(6) A winning ticket shall not pay less than $1.10 on a wager of $1.00, and the minimum value of winning tickets of a higher denomination shall be in direct proportion thereto. A licensee shall not use any part of the state tax or the state's share of the breakage to make up any minus pool. The Amendatory Act of 1986 provides that: a race meeting licensee may distribute a sum of not less than $1.05 to persons holding winning tickets for each $1.00 deposit in the MINUS POOL.

(7) If there is any error in calculation where the public is underpaid, the amount of the underpayment shall be added to the same pool on the next race. If such an error results in the public being overpaid, the amount of the overpayment is chargeable against the funds of the racing association.

(8) Payments will be made only on the first 3 horses passing the finish line according to the official order of finish, except in the case of a dead heat for show, in which case payments will be made on the first 4 horses.

(9) If a horse is excused from racing for any reason after the betting thereon has begun, or if a horse becomes locked in the starting gate, the money bet on that horse shall be refunded, except that when the horse is part of an entry or a mutuel field, there shall be no refund if the entry or the mutuel field, as the case may be, has at least 1 actual starter.

(10) The association shall require positive identification of a winning ticket holder before payment when, in the steward's discretion, circumstances warrant the action.

R 431.2015 Emergencies, errors.

(1) If any emergency arises in connection with the operation of the mutuel department and the emergency is not covered by these rules and an immediate decision is necessary, the mutuel manager shall make the decision, and a prompt report of the facts shall be made to the stewards and the racing commissioner.

(2) If an error is made in posting the odds or payoff figures on the public board, it shall be corrected promptly and only the correct amounts shall be used in the payoff, irrespective of the error that may have appeared on the public board. If because of mechanical failure, it is impossible to promptly correct the posted payoff, a statement shall be made over the public address system stating the facts and corrections.
